PROJECT DESCRIPTION: James City Service Authority has applied for a new permit for the Racefield subdivision in Toano, Virginia. The permit would allow the applicant to withdraw an average of 10,959 gallons per day. The ground water withdrawal will support a potable water supply for a residential development and adjacent Williamsburg Christian Retreat in James City County. The proposed withdrawal will utilize the Chickahominy–Piney Point aquifer at a depth between 160 feet to 240 feet below the land surface at the withdrawal site. An aquifer is a body of rock or layer of sediment in the ground in which ground water is stored and transported. DEQ has made a tentative decision to issue the permit.
